List of Contributors

Preface ix Acknowledgements

1 General Considerations for Pain Management upon Initial Presentation and during Hospital Stay

*Karol Mathews*

2 Physiology and Pathophysiology of Pain 8

*Tamara Grubb*

3 Physiologic and Pharmacologic Applications to Manage Neuropathic Pain 17

*Karol Mathews*

4 Physiology and Pharmacology: Clinical Application to Abdominal and Pelvic Visceral Pain 51

*Karol Mathews*

5 Physiology and Management of Cancer Pain 64

*Karol Mathews and Michelle Oblak*

6 Movement-Evoked and Breakthrough Pain 68

*Karol Mathews*

7 Pain: Understanding It 70

*Karol Mathews*

8 Recognition, Assessment and Treatment of Pain in Dogs and Cat 81

*Karol Mathews*

9 Pharmacologic and Clinical Application of Sedatives 112

*Melissa Sinclair*

10 Pharmacologic and Clinical Application of Opioid Analgesics 119

*Melissa Sinclair*

11 Pharmacologic and Clinical Application of Non-Steroidal Anti-Inflammatory Analgesics 134

*Karol Mathews*

12 Pharmacologic and Clinical Principles of Adjunct Analgesia 144

*Karol Mathews and Tamara Grubb*

13 Pharmacologic and Clinical Application of General Anesthetics 165

*Melissa Sinclair*

- 14 Local Anesthetic Techniques 171  
*Alexander Valverde*
- 15 Integrative Techniques for Pain Management 204  
*Cornelia Mosley and Shauna Cantwell*
- 16 The Veterinary Technician/Nurse's Role in Pain Management 217  
*Andrea Steele*
- 17 Optimal Nursing Care for the Management of Pain 219  
*Andrea Steele*
- 18 Preparation and Delivery of Analgesics 230  
*Andrea Steele*
- 19 Cardiovascular Disease as a Co-Morbidity for Anesthesia and Analgesia of Non-Related Emergencies 244  
*Tamara Grubb*
- 20 Kidney Disease as a Co-Morbidity for Anesthesia and Analgesia of Non-Related Emergencies 255  
*Melissa Sinclair*
- 21 Liver Disease as a Co-Morbidity for Anesthesia and Analgesia of Non-Related Emergencies 263  
*Melissa Sinclair*
- 22 Managing the Aggressive Patient 270  
*Andrea Steele and Tamara Grubb*
- 23 Analgesia and Anesthesia for Pregnant Cats and Dogs 279  
*Karol Mathews and Melissa Sinclair*
- 24 Analgesia and Anesthesia for Nursing Cats and Dogs 294  
*Karol Mathews, Tamara Grubb, Melissa Sinclair and Andrea Steele*
- 25 Physiologic and Pharmacologic Application of Analgesia and Anesthesia for the Pediatric Patient 308  
*Karol Mathews, Tamara Grubb and Andrea Steele*
- 26 Analgesia and Anesthesia for the Geriatric Patient 328  
*Karol Mathews, Melissa Sinclair, Andrea Steele and Tamara Grubb*
- 27 Analgesia and Anesthesia for Head and Neck Injuries or Illness 336  
*Karol Mathews, Melissa Sinclair, Andrea Steele and Tamara Grubb*
- 28 Torso, Thorax and Thoracic Cavity: Illness and Injury 356  
*Karol Mathews, Tamara Grubb and Andrea Steele*

29 Torso and Abdomen: Illness and Injuries 375  
*Karol Mathews, Tamara Grubb and Andrea Steele*

30 Pelvic Cavity/Abdomen, Perineum and Torso: Illness and Injuries Urogenital System and Perineum 391  
*Karol Mathews, Tamara Grubb and Andrea Steele*

31 Musculoskeletal Injuries and Illness 409  
*Karol Mathews, Melissa Sinclair, Andrea Steele and Tamara Grubb*

32 Vertebral Column (Vertebrae and Spinal Cord) 423  
*Karol Mathews, Tamara Grubb and Andrea Steele*

33 Integument Injuries and Illness 439  
*Karol Mathews, Tamara Grubb and Andrea Steele*

34 Environmental Injuries 454  
*Karol Mathews, Tamara Grubb and Andrea Steele*

Index 465.
