

# TABLE OF CONTENTS

Preface

How to use this atlas

Abbreviations

## **Section 1: Head & Neck 1**

1.1 Nasal cavity and paranasal sinuses 3

1.2 Ear 27

1.3 Temporomandibular joint 40

1.4 Skull 55

1.5 Orbit 69

1.6 Globe 86

1.7 Salivary glands 98

1.8 Lymph nodes 107

1.9 Oral cavity 113

1.10 Larynx, pharynx, and neck 132

1.11 Thyroid and parathyroid 141

## **Section 2: Brain 153**

2.1 Ventricular system and hydrocephalus 155

2.2 Brain edema 162

2.3 Developmental disorders 165

2.4 Trauma, hemorrhage, and vascular disorders 173

2.5 Metabolic, toxic, and degenerative disorders 184

2.6 Noninfectious inflammatory disorders 197

2.7 Infectious inflammatory disorders 206

2.8 Neoplasia 221

2.9 Sella and parasellar region 244

2.10 Cranial nerves 264

**Section 3: Vertebral Column & Spinal Cord 279**

3.1 Developmental disorders 281

3.2 Traumatic and vascular disorders 295

3.3 Inflammatory disorders 317

3.4 Neoplasia 329

3.5 Intervertebral disk disease and other degenerative disorders 355

3.6 Brachial and lumbosacral plexus 376

**Section 4: Thorax 387**

4.1 Thoracic wall and diaphragm 389

4.2 Pleural space 398

4.3 Mediastinum and esophagus 408

4.4 Heart, pulmonary vasculature, and great vessels 423

4.5 Airways 442

4.6 Small airways and parenchyma 458

**Section 5: Abdomen 489**

5.1 Body wall, retroperitoneum, and peritoneal cavity 491

5.2 Hepatovascular disorders 504

5.3 Hepatobiliary disorders 522

5.4 Gastrointestinal tract 538

5.5 Pancreas 551

5.6 Adrenal gland 561

5.7 Spleen 572

5.8 Urinary tract 584

5.9 Reproductive tract 604

**Section 6: Musculoskeletal System 615**

6.1 Developmental and metabolic disorders 617

6.2 Trauma 636

6.3 Inflammatory disorders 652

6.4 Neoplasia 662

6.5 Degenerative disorders 675

Index 681.
