

Clinical Avian Medicine - Volume I

Preface and Foreword

Acknowledgements

Clinical Practice

The Companion Bird

Concepts in Behavior - Section I: Natural Science of Behavior

Concepts in Behavior - Section II: Early Psittacine Behavior & Development

Concepts in Behavior - Section III: Pubescent & Adult Psittacine Behavior

Nutritional Considerations - Section I: Nutrition and Dietary Supplementation

Nutritional Considerations - Section II: Nutritional Disorders

Calcium Metabolism

Maximizing Information from the Physical Examination

Emergency and Critical Care

Pain Management

Therapeutic Agents

Therapeutic Agents - Abbreviations

Integrative Therapies

Low-risk Pest Management

Evaluating and Treating the Cardiovascular System

Integument

Evaluating and Treating the Gastrointestinal System

Evaluating and Treating the Liver

Clinical Avian Medicine - Volume II

Evaluating and Treating the Kidneys

Evaluating and Treating the Nervous System

Evaluating and Treating the Reproductive System

Endocrine Considerations

Overview of Tumors. Section I: Clinical Avian Neoplasia and Oncology

Overview of Tumors. Section II: A Retrospective Study of Case Submissions to a Specialty Diagnostic Service

Preventive Medicine and Screening

Diagnostic Value of Hematology

Diagnostic Value of Biochemistry

Diagnostic Value of Endoscopy and Biopsy

Advances in Diagnostic Imaging

Diagnostic Value of Necropsy

Update on Chlamydophilia Psittaci

Implication of Mycobacteria in Clinical Disorders

Implications of Mycoses in Clinical Disorders

Implications of Macrorhabdus in Clinical Disorders

Implications of Toxic Substances in Clinical Disorders

Implications of Viruses in Clinical Disorders

Updates in Anesthesia and Monitoring

Surgical Resolution of Orthopedic Disorders

Surgical Resolution of Soft Tissue Disorders

Management of Waterfowl

Management of Racing Pigeons

Management of Galliformes

Management of Canaries, Finches & Mynahs

Management of Raptors

Management of Captives Ratites

Management of Zoo and Park Birds

Appendices.
