

TABLE OF CONTENTS

Clinical Radiology of Exotic Companion Mammals

Chapter 1 THE BASICS OF RADIOLOGY

Introduction to Radiology of the Exotic Companion Mammal
Recording the X-ray image
Radiographic Equipment for the Small Exotic Mammal Patient
Digital Radiography
X-ray Projections
Patient Positioning
Patient Positioning Techniques
Common Errors in Radiographic Technique
Processing X-ray Film
Contrast Radiography
Introduction to Computed Tomography in Exotic Companion Mammals
Radiation Safety

Chapter 2 RABBIT

The Normal Head
Abnormalities of the Head
Computed Tomography of the Head
The Normal Total Body
The Normal Thorax The Cervical and Thoracic Vertebral Column
Abnormalities of the Thorax
The Normal Abdomen The Lumbar Vertebral Column
Abnormalities of the Abdomen
Abnormalities of the Vertebral Column
Myelography of the Normal Vertebral Column
Myelography of the Abnormal Vertebral Column
The Normal Thoracic Limb
Abnormalities of the Thoracic Limb
The Normal Pelvic Limb
Abnormalities of the Pelvic Limb

Chapter 3 GUINEA PIG

The Normal Head
Abnormalities of the Head
Computed Tomography of the Head
The Normal Total Body
The Normal Thorax The Cervical and Thoracic Vertebral Column

Abnormalities of the Thorax
The Normal Abdomen The Lumbar Vertebral Column
Abnormalities of the Abdomen
The Normal Thoracic Limb
Abnormalities of the Thoracic Limb
The Normal Pelvic Limb
Abnormalities of the Pelvic Limb

Chapter 4 CHINCHILLA

The Normal Head
Abnormalities of the Head
Computed Tomography of the Head
The Normal Total Body
The Normal Thorax The Cervical and Thoracic Vertebral Column
The Normal Abdomen The Lumbar Vertebral Column
Abnormalities of the Abdomen
Abnormalities of the Vertebral Column
The Normal Thoracic Limb
The Normal Pelvic Limb
Abnormalities of the Pelvic Limb

Chapter 5 DEGU

The Normal Head
Abnormalities of the Head
The Normal Whole Body Skeleton

Chapter 6 RAT

The Normal Head
Abnormalities of the Head
The Normal Total Body
Miscellaneous Abnormalities

Chapter 7 MOUSE

The Normal Whole Body Skeleton
Miscellaneous Abnormalities

Chapter 8 HAMSTER

The Normal Head
Abnormalities of the Head
The Normal Whole Body Skeleton The Golden Hamster
The Russian Hamster
Abnormalities of the Abdomen
Abnormalities of the Vertebral Column
Abnormalities of the Thoracic Limb
Abnormalities of the Pelvic Limb

Chapter 9 PRAIRIE DOG and other SQUIRREL-LIKE RODENTS

The Normal Head

Abnormalities of the Head

The Normal Total Body

The Normal Thorax The Cervical and Thoracic Vertebral Column

The Normal Abdomen The Lumbar Vertebral Column

Abnormalities of the Abdomen

The Normal Thoracic Limb

The Normal Pelvic Limb

The Chipmunk The Normal Whole Body Skeleton

Abnormalities of the Head of other Squirrel-like Rodents

Miscellaneous Abnormalities of other Squirrel-like Rodents

Chapter 10 FERRET

The Normal Head

Abnormalities of the Head

The Normal Total Body

The Normal Thorax The Cervical and Thoracic Vertebral Column

Abnormalities of the Thorax

The Normal Abdomen The Lumbar Vertebral Column

Abnormalities of the Abdomen

The Normal Thoracic Limb

Abnormalities of the Thoracic Limb

The Normal Pelvic Limb

Abnormalities of the Pelvic limb

Chapter 11 SKUNK

The Normal Head

The Normal Thorax The Cervical and Thoracic Vertebral Column

Abnormalities of the Thorax

The Normal Abdomen The Lumbar Vertebral Column

The Normal Thoracic Limb

Abnormalities of the Thoracic Limb

The Normal Pelvic Limb

Abnormalities of the Pelvic Limb

Chapter 12 SUGAR GLIDER

The Normal Whole Body Skeleton

Chapter 13 VIRGINIA OPOSSUM

The Normal Head

The Normal Thorax The Cervical and Thoracic Vertebral Column

The Normal Abdomen The Lumbar Vertebral Column

The Normal Thoracic Limb

The Normal Pelvic Limb
Miscellaneous Abnormalities

Chapter 14 POTBELLIED PIG

The Normal Head
The Normal Thorax The Cervical and Thoracic Vertebral Column
The Normal Abdomen The Lumbar Vertebral Column
The Normal Thoracic Limb
The Normal Pelvic Limb
Abnormalities of the Pelvic Limb

Chapter 15 AFRICAN PYGMY HEDGEHOG

The Normal Whole Body Skeleton
The Normal Head
Miscellaneous Abnormalities
Final Cut
