## **TABLE OF CONTENTS**

| • Front Matter  |    |  |  |  |
|---|----|--|--|--|
| □ General Principles of Toxicology                              |    |  |  |  |
|   | •  | PK Gupta                                       |  |  |
|   | D  | isposition and Fate of Toxicants               |  |  |
|   | •  | PK Gupta                                       |  |  |
|   | M  | echanism of Toxicity                           |  |  |
|   | •  | PK Gupta                                       |  |  |
|   | To | oxic Effects of Pesticides and Agrochemicals   |  |  |
|   | •  | PK Gupta                                       |  |  |
|   | T  | oxic Effects of Metals and Micronutrients      |  |  |
|   | •  | PK Gupta                                       |  |  |
| □ Toxicologic Hazards of Solvents, Gases, Vapors, and Chemicals |    |  |  |  |
|   | •  | PK Gupta                                       |  |  |
|   | To | oxicities from Human Drugs                     |  |  |
|   | •  | PK Gupta                                       |  |  |
|   | P  | oisonous and Venomous Organisms                |  |  |
|   | •  | PK Gupta                                       |  |  |
|   | В  | acterial and Cyanobacterial (Blue-Green Algae) |  |  |
|   | •  | PK Gupta                                       |  |  |
|   | M  | ycotoxicoses                                   |  |  |
|   | •  | PK Gupta                                       |  |  |

|  | <b>Poisonous Plants</b> |                                |  |  |
|--|-------------------------|--------------------------------|--|--|
|  | •                       | PK Gupta                       |  |  |
|  | Fe                      | ed Contaminant Toxicity        |  |  |
|  | •                       | PK Gupta                       |  |  |
|  | ood Hazards             |                                |  |  |
|  | •                       | PK Gupta                       |  |  |
|  | Ve                      | eterinary Drug Residue Hazards |  |  |
|  | •                       | PK Gupta                       |  |  |
|  | Ve                      | eterinary Clinical Toxicology  |  |  |
|  | •                       | PK Gupta                       |  |  |
