

TABLE OF CONTENTS – Equine Infectious Diseases, 2nd Edition

Section I: Clinical Problems

1. Respiratory Tract Infections
2. Cardiovascular Infections
3. Gastrointestinal and Peritoneal Infections
4. Central Nervous System Infections
5. Infections of Muscle, Joint and Bone
6. Neonatal Septicemia
7. Infections of Skin
8. Reproductive Tract Infections and Abortion
9. Urinary Tract Infections
10. Ocular Infections
11. Systemic Inflammatory Response Syndrome

Section II: Viral Diseases

12. Laboratory Diagnosis of Viral Infections
13. Equine Influenza
14. Equine Herpesviruses
15. Equine Viral Arteritis
16. African Horse Sickness
17. Miscellaneous Viral Respiratory Diseases
18. Viral Diarrhea
19. Rabies
20. Alphavirus Encephalitides
21. Flavivirus Encephalitides

- 22. Borna Disease
- 23. Equine Infectious Anemia
- 24. Vesicular Stomatitis
- 25. Papillomavirus Infections
- 26. Miscellaneous Viral Diseases

Section III: Bacterial and Rickettsial Diseases

- 27. Laboratory Diagnosis of Bacterial Infections
- 28. Streptococcal infections
- 29. Staphylococcal Infections
- 30. Dermatophilosis
- 31. Rhodococcus Equi Infection
- 32. Leptospirosis
- 33. Lyme Borreliosis
- 34. Lawsonia Intracellularis
- 35. Salmonellosis
- 36. Glanders and Farcy
- 37. Brucellosis
- 38. Contagious Equine Metritis
- 39. Anaplasma Phagocytophila Infection
- 40. Neorickettsia Risticii Infection
- 41. Enteric Clostridial Infections
- 42. Systemic Clostridial Infections
- 43. Botulism
- 44. Tetanus
- 45. Miscellaneous Bacterial Infections

Section IV: Fungal Diseases

46. Laboratory Diagnosis of Fungal Diseases

47. Coccidiomycosis

48. Sporotrichosis

49. Candidiasis

50. Dermatophytosis

51. Pythiosis and Zygomycosis

52. Aspergillosis

53. Miscellaneous Fungal Infections

Section V: Parasitic Diseases

54. Laboratory Diagnosis of Parasitic Diseases

55. Protozoal Myeloencephalitis

56. Piroplasmosis

57. Nematode Infections

58. Cestode Infections

59. Ectoparasites

60. Miscellaneous Parasitic Infections

Section VI: Prevention and Control of Infectious Diseases

61. Epidemiology of Infectious Diseases

62. Biosecurity and Control of Infectious Disease Outbreaks

63. Infectious Diseases and International Movement of Horses

64. Immunoprophylaxis

65. Antimicrobial Therapy

66. Immunotherapy.
