Preface

Chapter 1 - Anurans

Chapter 2 - Caudata (Urodela): Tailed Amphibians

Chapter 3 - Caecilians

Chapter 4 - Chelonians (Turtles, Tortoises)

Chapter 5 - Crocodylians (Crocodiles, Alligators, Caiman, Gharial)

Chapter 6 - Sphenodontia: The Biology and Veterinary Care of Tuatara

Chapter 7 - Lacertilia (Lizards, Skinks, Geckos) and Amphisbaenids (Worm Lizards)

Chapter 8 - Ophidia (Snakes)

Chapter 9 - Struthioniformes, Rheae, Cassuariformes, Apterygiformes (Ostriches, Rheas, Emus, Cassowaries, and Kiwis), and Tinamiformes (Tinamous)

Chapter 10 - Sphenisciformes (Penguins)

Chapter 11 - Gaviiformes, Podicipediformes, and Procellariiformes (Loons, Grebes, Petrels, and Albatrosses)

Chapter 12 - Pelecaniformes (Pelicans, Tropicbirds, Cormorants, Frigatebirds, Anhingas, Gannets)

Chapter 13 - Ciconiiformes (Herons, Ibises, Spoonbills, Storks)

Chapter 14 - Phoenicopteriformes

Chapter 15 - Charadriiformes

Chapter 16 - Anseriformes

Chapter 17 - Falconiformes (Falcons, Hawks, Eagles, Kites, Harriers, Buzzards, Ospreys, Caracaras, Secretary Birds, Old World and New World Vultures)

Chapter 18 - Galliformes

Chapter 19 - Gruiformes (Cranes, Limpkins, Rails, Gallinules, Coots, Bustards)

Chapter 20 - Columbiformes

Chapter 21 - Psittaciformes

Chapter 22 - Cuculiformes (Cuckoos, Roadrunners)

Chapter 23 - Strigiformes

Chapter 24 - Caprimulgiformes (Nightjars and Allies)

Chapter 25 - Musophagiformes

Chapter 26 - Trochiliformes (Hummingbirds)

Chapter 27 - Apodiformes and Coliiformes

Chapter 28 - Trogoniformes

Chapter 29 - Coraciiformes (Kingfishers, Motmots, Bee-Eaters, Hoopoes, Hornbills)

Chapter 30 - Piciformes (Honeyguides, Barbets, Woodpeckers, Toucans)

Chapter 31 - Passeriformes (Songbirds, Perching Birds)

Chapter 32 - Monotremata (Echidna, Platypus)

Chapter 33 - Marsupialia (Marsupials)

Chapter 34 - Insectivores (Insectivora, Macroscelidea, Scandentia)

Chapter 35 - Chiroptera (Bats)

Chapter 36 - Prosimians

Chapter 37 - New World and Old World Monkeys

Chapter 38 - Great Apes

Chapter 39 - Xenarthra

Chapter 40 - Pholidota

Chapter 41 - Lagomorpha (Pikas, Rabbits, and Hares)

Chapter 42 - Rodentia

Chapter 43 - Cetacea (Whales, Dolphins, Porpoises)

Chapter 44 - Pinnipedia

Chapter 45 - Sirenia

Chapter 46 - Canidae

Chapter 47 - Felidae

Chapter 48 - Mustelidae

Chapter 49 - Procyonids and Viverids

Chapter 50 - Ursidae

Chapter 51 - Hyaenidae

Chapter 52 - Tubulidentata (Aardvark)

Chapter 53 - Proboscidea

Chapter 54 - Hyrocoidea (Hyraxes)

Chapter 55 - Rhinocerotidae (Rhinoceroses)

Chapter 56 - Tapiridae

Chapter 57 - Equidae

Chapter 58 - Suidae and Tayassuidae (Wild Pigs, Peccaries)

Chapter 59 - Hippopotamidae (Hippopotamus)

Chapter 60 - Camelidae

Chapter 61 - Giraffidae

Chapter 62 - Tragulidae, Moschidae, and Cervidae

Chapter 63 - Bovidae (Except Sheep and Goats) and Antilocapridae

Chapter 64 - Sheep, Goats, and Goat-Like Animals

Chapter 65 - Avian Deflighting Techniques

Chapter 66 - The Use of Computed Tomography and Magnetic Resonance Imaging in Zoo Animals

Chapter 67 - Gout in Exotic Animals

Chapter 68 - The EAZWV and AAZV Infectious Diseases Notebooks

Chapter 69 - Update on Iron Overload in Zoologic Species

Chapter 70 - *The Journal of Zoo and Wildlife Medicine*

Chapter 71 - A Legal Overview for Zoologic Medicine Veterinarians

Chapter 72 - Minimally Invasive Surgery Techniques

Chapter 73 - Conservation Medicine to One Health: The Role of Zoologic Veterinarians

Chapter 74 - Recent Updates for Antemortem Tuberculosis Diagnostics in Zoo Animals

Chapter 75 - Updates on West Nile Virus

Chapter 76 - Use of Ultrasonography in Wildlife Species

Chapter 77 - Wildpro Multimedia

Chapter 78 - ISIS, MedARKS, ZIMS, and Global Sharing of Medical Information by Zoologic Institutions

Chapter 79 - Update on Remote Delivery and Restraint Equipment

Chapter 80 - Guidelines for the Management of Zoonotic Diseases

Chapter 81 - Contraception

Chapter 82 - AAZV Guidelines for Zoo and Aquarium Veterinary Medical Programs and Veterinary Hospitals

Index.
