

# TABLE OF CONTENTS – Hemoparasites of the Reptilia : Color Atlas and Text

## **The Plasmodiid Parasites**

Morphology and Life Cycles  
Ultrastructure of Reptilian Plasmodiids  
Taxonomic Characters  
Species Accounts

## **The Hemogregarines**

Haemogregarina  
Hepatozoon  
Karyolysus  
Hemolivia  
Species Accounts  
Haemogregarinidae  
Karyolysidae

## **The Hemococcidia of Lizards**

Apicomplexa: Eimeriorina  
Species Accounts

## **Kinetoplastida, Trypanosomatidae**

*Trypanosoma*  
Species Accounts  
*Sauroleishmania* Parasites of Reptiles  
Species Accounts

## **Piroplasmorida**

*Sauroplasma*  
Species Accounts  
Parasites of Uncertain Relationship

## **Prokaryotic Parasites of Reptilian Blood Cells**

Rickettsiales: *Aegyptianella*  
Chlamydial Infection of Reptilian Leukocytes

## **Viral Infections of Circulating Blood Cells**

Poxvirus Infection of Leukocytes  
Iridovirus Infections of Erythrocytes
