

TABLE OF CONTENTS – Integrating Complementary Medicine into Veterinary Practice

SECTION 1 Introduction to Integrative Veterinary Medicine: The Integration of Old and Ancient Medical Practice Techniques into Conventional Veterinary Practice (Edited by Robert S. Goldstein).

Chapter 1 Introduction to Integrative Veterinary Medicine (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 2 A Modern Approach To Therapeutic Nutraceuticals (Robert S. Goldstein).

Chapter 3 The Modern Approach to the Integration of Chinese Herbal Medicine (Karen Johnston, Jiu Jia Wen).

Chapter 4 Homotoxicology - The Modern Approach to Homeopathy (Paula J Broadfoot, Richard Palmquist).

Chapter 5A Practical Approach to the Integration of Western Herbal Medicine into Veterinary Practice (Barbara Fougere)

SECTION 2 Integrative Therapy Protocols By Organ System (Edited by Robert S. Goldstein).

Chapter 6 Auto Immune Disease (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 7 Diseases of the Blood and Lymph (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 8 Behavior and Emotional conditions (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 9 Disease of the Cardiovascular System (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 10 Disease of the Dermatological System (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 11 Disease of the Digestive System (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 12 Disease of the Eye and Ear (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 13 Disease of the Musculoskeletal System (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 14 Disease of the Respiratory System (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 15 Disease of the Urogenital System (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 16 Metabolic and Endocrine Disease (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 17 Neurological Disorders (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

SECTION 3 Integrative Therapy Protocols for Infectious Diseases (Edited by Robert S. Goldstein).

Chapter 18 Integrative Therapy Protocols for Infectious Diseases (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

SECTION 4 Western Herbal Disease Protocols (Edited by Robert S. Goldstein).

Chapter 19 Disease of the Blood and Lymph (Barbara Fougere).

Chapter 20 Emotional and Behavior Conditions (Barbara Fougere).

Chapter 21 Diseases of the Cardiovascular System (Barbara Fougere).

Chapter 22 Disease of the Skin (Barbara Fougere).

Chapter 23 Disease of the Digestive System (Barbara Fougere).

Chapter 24 Disease of the Eye and Ear (Barbara Fougere).

Chapter 25 Disease of the Musculoskeletal System (Barbara Fougere).

Chapter 26 Disease of the Respiratory System (Barbara Fougere).

Chapter 27 Disease of the Urogenital System (Barbara Fougere).

Chapter 28 Metabolic and Endocrine Disease (Barbara Fougere).

Chapter 29 Neurological Disorders (Barbara Fougere).

Chapter 30 Infectious Diseases (Barbara Fougere).

Chapter 31 Western Herbal Cancer Therapy (Barbara Fougere).

SECTION 5 Integrative Cancer Therapy Protocols: Therapeutic Nutrition, Chinese Herbal Medicine and Homotoxicology (Edited by Robert S. Goldstein).

Chapter 32 Integrative Cancer Treatment Protocols (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 33 IVM Cancer Treatment Protocols Presented by Cancer Protocols (Robert S. Goldstein, Paula J Broadfoot, Richard Palmquist, Karen Johnston, Jiu Jia Wen).

Chapter 34 Advanced Homotoxicology: Autosanguis Therapy, Oncology, and Cancer Protocols (Paula J Broadfoot, Richard Palmquist).

Chapter 35 Advanced Homotoxicology Cancer Protocols (Paula J Broadfoot, Richard Palmquist).

SECTION 6 Vaccinations (Edited by Paula J Broadfoot, Richard Palmquist).

Chapter 36 Vaccinations (Paula J Broadfoot, Richard Palmquist).
