

TABLE OF CONTENTS – Small Animal Dermatology for Technicians and Nurses

List of Contributors

Preface xv

Acknowledgments

Introduction

Section I The Role of the Veterinary Technician and Nurse 1

1 Managing the Small Animal Dermatology Patient 3

Kim Horne

Introduction 3

History 3

Dermatological Procedures 6

Flea Combing 6

Ear Cytology/Swab 9

Skin Cytology 11

Tape Prep (Especially Useful for Finding Yeast on the Skin) 12

Sampling a Pustule 14

Sampling a Crust 14

Skin Scraping 14

Sarcoptes scabiei and *Notoedres cati* (Feline Scabies) 15

Demodex canis, *Demodex cati*, *Demodex injai* 16

Cheyletiella spp., *Demodex cornei*, *Demodex gatoj*, *Lynxacarus radovsky*, Lice (*Linognathus setosus*, *Trichodectes canis*, *Felicola subrostratus*, etc.) 17

Fecal Flotation 17

Trichography	17
Dermatophyte Culture	19
Mackenzie Brush Technique	20
Tape Prep Procedure	20
Skin Punch Biopsy	21
Client Education and Client Compliance	23
Helpful Hints to Improve Client Compliance	24
Capsules and Tablets	24
Injections	24
Bathing	25
Ear Cleaning	25
Handouts	25
Recheck Appointment Options	25
Phone Calls	26
Conclusion	26
References	26

Section II Skin and Ear Diseases 27

2 Bacterial Infections 29

Dawn Logas and Christie Yamazaki Delan

Introduction 29

Pathogenesis 29

Surface Pyodermas 29

Clinical Features 30

Diagnostic Tests 31

Treatment 31

Superficial Pyodermas	32
Clinical Features	32
Diagnostic Tests	34
Treatment	35
Deep Pyodermas	35
Clinical Features	35
Diagnostic Tests	38
Treatment	39
Client Education	40
Feline Bacterial Skin Infections	41
Methicillin-Resistant Staphylococcal Infections	42
Conclusion	43
References	43
Recommended Reading	44
3 Malassezia Dermatitis	45
<i>Barbara Haimbach</i>	
Introduction	45
Clinical Features (Canine)	45
Clinical Features (Feline)	47
Diagnostic Tests	48
Treatment	49
Client Education	50
Conclusion	51
References	51
4 Otitis Externa	53
<i>Dawn Logas</i>	

Introduction 53
Pathogenesis 53
Clinical Features 57
Diagnostic Tests 58
Treatment 59
Predisposing Factors 59
Primary Causes 60
Perpetuating Factors 60
Ear Cleaning 60
Client Education 63
Conclusion 64
References 64

5 Dermatophytosis 65
Sandra Grable

Introduction 65
Pathogenesis 65
Clinical Features 66
Diagnostic Tests 68
Woods Lamp Examination 68
Trichography 69
Fungal Culture 69
Fungal Culture Media and Systems 71
Gross Analysis and Microscopy 71
Common Contaminants 75
Safety Precautions 76

Biopsy/Histopathology 77

Polymerase Chain Reaction Test 77

Treatment 77

Topical Therapy 78

Systemic Antifungals 79

Environment 80

Client Education 80

Conclusion 81

References 84

Recommended Reading 84

Recommended Fungal Identification References 84

Section III Allergic Skin Diseases 85

6 Flea Allergy Dermatitis 87

Missy Streicher

Introduction 87

Clinical Features 89

Diagnostic Tests 91

Treatment 92

Client Education 95

Conclusion 100

References 100

Webliography 101

7 Atopic Dermatitis 103

Amanda Friedeck

Introduction 103

Pathogenesis 103

Clinical Features (Canine) 104

Clinical Features (Feline) 107

Diagnostic Tests 108

Treatment 111

Client Education 116

Conclusion 117

References 117

8 Food Hypersensitivity 121

Shelley Shopsowitz

Introduction 121

Pathogenesis 121

Clinical Features 122

Diagnostic Tests 123

Choosing an Elimination Diet 124

Performing the Diet Trial 125

Dietary Challenge 125

Treatment 125

Client Education 125

Conclusion 128

References 128

Section IV Parasitic Skin Diseases 129

9 Sarcoptic Mange 131

Stephanie B. Duggan

Introduction 131

Pathogenesis 131

Clinical Features 132

Diagnostic Tests 133

Treatment 135

Client Education 137

Conclusion 138

References 138

10 Cheyletiellosis 139

Jennie Tait

Introduction 139

Pathogenesis 139

Clinical Features 139

Diagnostic Tests 142

Treatment 142

Client Education 145

Conclusion 145

References 145

11 Canine Demodicosis 147

Kim Horne

Introduction 147

Clinical Features 149

Diagnostic Tests 150

Treatment 152

Localized Demodicosis 152

Generalized Demodicosis 152

Amitraz 152

Macrocyclic Lactones 153

Isoxazolines 154

Adjunctive Therapy 155

Patient Monitoring 155

Client Education 156

Conclusion 156

References 156

Webliography 157

12 Feline Demodicosis 159

Kim Horne

Introduction 159

Follicular Demodicosis (*D. cati*) 159

Clinical Features 159

Diagnostic Tests 160

Treatment 160

Superficial/Surface Demodicosis (*D. gato*) 161

Clinical Features 161

Diagnostic Tests 162

Treatment 162

Client Education 162

Conclusion 163
