List of Contributors

Preface

## **Section 1: The pathogenic clostridia**

1 Taxonomic Relationships among the Clostridia 3

*John F. Prescott, Janet I. MacInnes, and Anson K. K. Wu*

2 General Physiological and Virulence Properties of the Pathogenic Clostridia 7

*Julian I. Rood*

3 Brief Description of Animal Pathogenic Clostridia 13

*John F. Prescott*

## **Section 2: Toxins Produced by the Pathogenic Clostridia**

4 Toxins of Histotoxic Clostridia: *Clostridium chauvoei*, *Clostridium septicum*,  
*Clostridium novyi*, and *Clostridium sordellii* 23

*Michel R. Popoff*

5 Toxins of *Clostridium perfringens* 45

*James R. Theoret and Bruce A. McClane*

6 Toxins of *Clostridium difficile* 61

*J. Glenn Songer, Ashley E. Harmon, and M. Kevin Keel*

7 *Clostridium botulinum* and *Clostridium tetani* Neurotoxins 71

*Michel R. Popoff*

## **Section 3: Clostridial Infections of the Gastrointestinal System**

8 Diseases Produced by *Clostridium perfringens* Type A in Mammalian Species 109

*Francisco A. Uzal*

9 NetF-Associated Necrotizing Enteritis of Foals and Canine Hemorrhagic  
Gastroenteritis 117

*Iman Mehdizadeh Gohari, Valeria R. Parreira, and John F. Prescott*

10 Necrotic Enteritis of Poultry 123

*Kerry K. Cooper and J. Glenn Songer*

11 Infections by *Clostridium perfringens* Type B 139

*Francisco A. Uzal and J. Glenn Songer*

12 Diseases Produced by *Clostridium perfringens* Type C 143

*Santiago S. Diab*

13 Diseases Produced by *Clostridium perfringens* Type D 157  
*Francisco A. Uzal, Federico Giannitti, John W. Finnie, and Jorge P. García*

14 Infections by *Clostridium perfringens* Type E, 173  
*J. Glenn Songer*

15 Diseases Produced by *Clostridium difficile* 177  
*Santiago S. Diab, Francisco A. Uzal, and J. Glenn Songer*

16 Disease Caused by *Clostridium colinum*: Ulcerative Enteritis of Poultry and Other Avian Species 197  
*John F. Prescott*

17 Clostridial Abomasitis 205  
*John F. Prescott, Paula I. Menzies, and Russell S. Fraser*

18 Diseases Produced by *Clostridium spiroforme* 221  
*J. Glenn Songer and Francisco A. Uzal*

#### **Section 4: Clostridial Histotoxic Infections**

19 Blackleg 231  
*Camila C. Abreu and Francisco A. Uzal*

20 Gas Gangrene (Malignant Edema) 243  
*Rodrigo O. S. Silva, Francisco A. Uzal, Carlos A. Oliveira Jr, and Francisco C. F. Lobato*

21 Gangrenous Dermatitis in Poultry 255  
*H. L. Shivaprasad*

22 Bacillary Hemoglobinuria 265  
*Mauricio Navarro, Fernando Dutra Quintela, and Francisco A. Uzal*

23 Infectious Necrotic Hepatitis 275  
*Mauricio Navarro and Francisco A. Uzal*

24 Tyzzer's Disease 281  
*Karina C. Fresneda and Francisco R. Carvalho Chaigneau*

#### **Section 5: Clostridial Neurotoxic Infections**

25 Tetanus 295  
*Michel R. Popoff*

26 Botulism 303  
*Caroline Le Maréchal, Cédric Woudstra, and Patrick Fach*

27 Diseases Caused by Other Clostridia Producing Neurotoxins 331  
*John F. Prescott.*
